Outstanding of the loans as on 31.03.2019was Rs.11.57 Crore and as on 31.08.2019, it is around Rs.11.58 Crore. Out of the 28 pending arbitration recovery cases in the last AGM, we were able to recover only 4 cases during the last one year. It was mainly due to the non-operational status of the court. Since the last four months, it has resumed operations and the summons and warrants have been issued to the defaulters and its guarantors, hence we hope to clear most of these cases during this year.

During this year we filed 24 more chronicle cases, thus the total pending cases are 42 numbers as on date.
